

Qatar Trough-type Metal Cable Tray Manufacturer

AI Overview

Leading manufacturers of metal cable trays in Qatar include Altura Industries, TransDelta International Industries, Qatar Technical, Silver Cube Industries, and Triple M Qatar. Key Manufacturers and Suppliers

1. **Altura Industries** Altura Industries is a prominent cable tray manufacturer in Qatar, offering a wide range of cable management systems including trough-type metal trays. Their products are designed for smooth cable pulling and comply with BS EN 61537:2007 standards. They provide solutions for electrical, telecommunication, and computer cabling, with materials suitable for harsh environments such as petrochemical and marine industries. Altura also supplies wire mesh trays, cable ladders, and trunking systems. Contact: Building 207, Street 7, Zone 81, New Industrial Area, Doha, Qatar; Email: sales@alturaindustries.com; Phone: +974 4490 1003 .
2. **TransDelta International Industries L.L.C** TransDelta, part of the TRANSCON Global Group, manufactures all types of cable management systems under the Delta brand. Their offerings include cable trays, ladders, trunking, and underfloor systems. TransDelta emphasizes ISO-certified quality and compliance with industry standards, making them suitable for large-scale industrial and commercial projects. They have strategic locations in Qatar for efficient supply and service .
3. **Qatar Technical** Qatar Technical provides cable support systems including solid and perforated metal cable trays. Their trays are made from pre-galvanized steel, with optional hot-dip galvanization for enhanced corrosion resistance. They also offer a variety of fittings and accessories such as cantilever arms, clamps, and U-channels, allowing flexible installation configurations for industrial and building projects .
4. **Silver Cube Industries** Silver Cube Industries specializes in steel fabrication and cable tray systems, offering slotted channels an...
