

Singapore Steel Cable Tray Price Inquiry

AI Overview

Steel cable trays in Singapore typically range from SGD 20 to SGD 150 per meter, depending on material, coating, and duty rating.

Price Overview

The cost of steel cable trays in Singapore varies based on several factors:

- Material and Coating:** Common options include pre-galvanized steel, hot-dipped galvanized (HDG), epoxy-coated steel, and stainless steel (AISI 304, 316, 316L). Stainless steel trays are generally more expensive than mild steel or galvanized options due to corrosion resistance and durability.
- Duty Rating:** Cable trays are classified by load capacity:
 - Light Duty (13mm)** – suitable for small cable runs, typically lower cost.
 - Medium Duty (25mm)** – standard industrial use.
 - Heavy Duty (50mm, 75mm, 100mm and above)** – for high-load applications, higher cost.
- Tray Type:** Options include perforated, ladder, wire mesh, and solid-bottom trays. Wire mesh and perforated trays are popular for ventilation and ease of installation, while ladder trays are preferred for heavy-duty industrial applications.
- Size and Length:** Standard lengths are usually 2-3 meters per section, with width and depth affecting the price. Wider or deeper trays cost more due to additional material.

Estimated Price Range

- Light Duty Steel Trays:** SGD 20-40 per meter
- Medium Duty Steel Trays:** SGD 40-80 per meter
- Heavy Duty Steel Trays:** SGD 80-150 per meter
- Stainless Steel Trays:** SGD 120-200 per meter, depending on grade and finish

Suppliers in Singapore

- RS Components** – offers a variety of steel and wire mesh trays with online ordering and next-day delivery.
- Ferrotech** – provides perforated, ladder, FRP, and wire mesh trays suitable for industrial applications.
- Wanco Electric Pte Ltd** – specializes in epoxy-coated and hot-dipped galvanized steel trays, with multiple duty ratings and cover options.
- AE Hub** – supplies metallic cable support systems including HDG, stainless steel, and epoxy-coated trays, compliant with IEC 61537 and SS249 standards.

Additional Considerations

- Accessories:** Covers, bends, tees, and mounting brackets may add to the total cost.
- Delivery and Installat...**
